Possible responses: Tentu saja (of course)
Boleh (yes, you can)

E.g  Boleh saya pinjam pensilmu? (Can I borrow your pencil?)

Swim To Survive
Our Swim to Survive Program will take place from Monday 3rd November to Friday 7th November. Those students who attained Dolphin or Marlin Certificates last year have the option of attending or staying at school. Parents will need to indicate on the permission note whether or not your child will be attending. Cost of the Swim to Survive Program is $40. Permission note will be sent home as soon as our photocopier is repaired.
Aboriginal Maths Day
On Wednesday the 8th October Xavier, Wulaaran and Lilly went to an aboriginal maths day at Macksville Public School. They were doing fun activities that students didn't know included using maths. Some of the activities included watching a football game, doing coordinates, doing a quiz and doing tangrams which are making pictures with 7 certain shapes. A free barbeque was included when we went to the maths day. We met new friends while we were there. We all had a brilliant time at Macksville Public School and we hope we do it again next year. Xavier, Wulaaran and Lilly

Community Announcements

Surfing After School
The “After School Activities” program is no longer running at Scotts Head PS. I have been approached by parents asking if I would offer surf coaching after school. The Surf Lesson will be from 3.30pm to 4.30pm each Tuesday at a cost of $10 per student per lesson. Please phone Paul on 0404 483172 to reserve your spot.
Regards, Paul Evans, Scotts Head Surf School

Dear Principal,
It’s on again!
The Nambucca River Festival will be held on the 29th - 30th November on the banks of the Nambucca River at Macksville. Last year over 4,000 people came to the festival to celebrate the talent and attractions of our beautiful valley.
It is important to the Committee and community that we continue to promote the talent we have in the region. To this end we are planning a Schools Spectacular on the Sunday morning of the festival to showcase student talent. A similar showcase last year was a raging success – even despite the weather!
As the Entertainment coordinator, I am looking for talent, whether groups or solo artists from schools in the Valley to perform at the festival on Sunday morning. We would like artists to have live backing and we can assist in this regard if required. Professional sound engineers will be engaged to showcase your talent in the best possible manner.
Bookings are required by 24th October and can be made by emailing me at the address listed below. We would like performances for each school to go for no more than half an hour. Performers wristbands will be available at the gate on the day for students and their accompanying teacher(s). Attached is a Entertainers Information Sheet for completion.
I look forward to hearing from you about our talented Valley students.

Chris Townsend
Entertainment Co-ordinator
