The Popcorn Explosion     (A Kinder recount)
The popcorn was popping loudly because the water inside the kernel was getting hotter and hotter. The water expanded and made the shell of the popcorn kernel POP! We made popcorn, yummy, yummy popcorn!       By Kinder

In Kinder we can tell you what we do when we see a full stop, a comma and an exclamation mark...we are amazing!

Kinder Orientatio
Our Kindergarten Orientation Program is now well underway as our new starters enjoy their first visits to their new school. The children have been having a great time exploring their new school and meeting the teachers and staff at SHPS. They even got a glimpse of Wilfred our resident school possum! On their third visit, in Week 6, the new Kinder students will meet their big buddy for 2015. I know our senior students are very excited about the important role they will play in supporting the Kinders next year.
