olahraga - Sport  
Menari - Dancing

Mata pelajaran apa favoritmu? (What’s your favourite subject?)
Mata pelajaran favorit saya adalah Bahasa Indonesia! (My favourite subject is Indonesian)!

Hello, Gmangay, Hai,

“Our words frame the atmosphere around us; our words frame our destiny and we all have a destiny’’
Margaret Court

Scotts Head PS is about managing students learning and behaviour, creating a safe, orderly, productive and successful learning community. The school promotes the practice of self-regulation and conferencing. This allows our students to monitor their own behaviour, have a voice and assists them in being responsible members of the community.

The four school values of Respect, Responsibility, Honesty and Teamwork are a statement of our school’s community expectations relating to student learning and behaviour. These values were decided on by members of our school community
At Scotts Head Public School we aim to ensure a safe, caring, orderly and productive learning community in which the rights of all students to learn and experience success is supported. We acknowledge and recognise appropriate behaviour and responsible decision making. We support students in making responsible choices to assist and support them in their learning journey.

With our school focus on Positive Behaviour For Learning (PBL), next week we are going to introduce our Playgrounds/Oval expectations. Please stick the attach Playground poster on your fridge or and take the time with your students to go over this with them as this is a whole school focus. All students have the right to feel safe, be happy and learn.

Thanks to Lyndsey Caldecott, the PBL team and PBL coach Jeff Tinmouth for all your hard work and dedication.

### Playground/ Oval Expectations:

| Respect            | Keep the area tidy  
|                    | Care for plants and animals  
|                    | Use equipment properly |
| Responsibility     | Return equipment  
|                    | Be in the right place  
|                    | Walk on the concrete  
|                    | Hands and feet to yourself  
|                    | Wear your hat |
| Teamwork           | Include everyone  
|                    | Set an example for others  
|                    | Check if people are alright |
| Honesty            | If you find something hand it in (or find the owner)  
|                    | Play by the rules |

PPP
The PPP course starts today and thanks to all the parents who are participating in this valuable experience. Thanks to Benita and Christine from the Nambucca/Bellingen Family Support Service (Managed by the Nambucca Valley Children’s Group) in providing the opportunity in our local school.

**School Performance Monday 26th May**
This opportunity to see a live performance does not happen very often. Please make sure that all notes and money are returned to school by tomorrow.

**Chess Club**
A team of four students will be selected early next week to compete at Port Macquarie next Thursday. Notes will be sent out on Monday afternoon. Dante a Year 6 student had his first experience of competing in Sydney on the weekend and really enjoyed the experience. Dante will be competing in Foster as well as Grafton over the next couple of weeks. We wish our Scotts Head Chess team the best of chess moves ahead! Thanks to Steve Conway for all your help in preparing our team.
**Girls Touch Footy**

There were 20 girls who trialled out for the girls touch footy team on Monday in Nambucca. According to the supervisor, all were well behaved, polite and great ambassadors for our schools. It was very difficult choosing the squad for the Mid North Coast trial because there were many girls with great skills. Congratulations to Wulaaran Walker who has been selected to attend the Mid North Coast trials on Monday June 2nd. Good Luck Wulaaran

**Good Luck**

Good luck to Jack and Henry Peachman who will compete in the Regional Cross Country in Grafton on Friday.

**Student Screen Printing - Stitching Program Thursdays**

Our student Screen Printing and Stitching Program started with Kindy who will learn the skills of textile art, screen printing and sewing. Today Year 2/3 begin their patchwork journey. Thanks to the community donation of over 100 dollars to pay for the screen by a local, very much appreciated by the school.

**Song Magic Week 2 Report by Ruth Nolan**

Today’s Song Magic was very different from last week. To begin with we had quite a number of fresh faces making a new group, but welcomed back Bridie and the two Ethans who remembered our ‘Ngarraanga’ chant and conducting response very well.

This week we began by exploring a basket of unfamiliar percussion instruments, finding out how to play them, listening to all the different sounds, noticing the different sound textures. After some body and vocal warm ups, we sang all the sung vowels sounds: ah, air, ee, or, oo combining imagination and body postures in a form of Japanese yoga called ‘Oki Chants’.

The children noticed how our sound was like an instrument. We then worked with rhythm, stepping together so that we could keep in time while we improvised with the percussion instruments. Charlize led us on the djembe, helping to keep us in time. Rheality helped by listing names and everyone helped to pack up.

See you next week.

Regards,
Ruth

**Canberra Excursion Year 4/5/6 Excursion**

The notes for the Canberra excursion for the 4/5/6 excursion have been sent home with payment plan slips. Please remember there is student assistance available, just contact the school for the Student Assistant Request Form.

**t20 Blast Cricket GALA day at Stuarts Point 22nd May for Year 4/5/6**

Today the year 4/5/6 students are competing with the other small local schools in a Gala day.

**Donation of Plants**

We are looking to put a garden on the eastern side of the classrooms and we are looking for specific plants to beautify the area such as the small variety of Birds of Paradise, any sized Kangaroo Paws and Lavender cuttings from your garden. Thanks for the donations we have received so far.

Thanks,

terima kasih, yaarri yaraang

Gillian
The SRC Jelly Bean Fundraising event will be held tomorrow Friday. It is a wonderful opportunity for children to raise awareness and funds for the diabetes association. If any parents are available to help with the lighting of the Pizza Oven and making Pizza, the SRC would appreciate the help.

**The 4/5/6 Class Decade Projects**

Last term in the 4/5/6 class we were given a project. We had to choose a decade between 1880 and 2010. Then we would have to do a project on the decade we chose. The project was related to the book *My Place* by Nadia Wheatley. On Friday 6th June our class will be travelling to Bellingen to listen to Nadia Wheatly talk about her book and she will be doing a workshop with the 4/5/6 class on how to write. Everyone in the class really enjoyed the decade project and they all turned out amazing.

By Lilly

**Toy Talk**

The 2/3 class have been continuing on with their 'Toy Talk' activities. Here are some fantastic artworks by Lily, Aila, Ethan, Grace and Zach.
Congratulations on the latest Bronze winners, we are very proud of you.

Stitching program Kindy.

Great Peer Group leaders.
Cross Country winners - India Stephens missing.
