- dingin - cold
- hujan - rain / raining

- Musim semi - spring
- bunga - flower
- berkembang - bloom

Hello, Giinagay, Hai,

Internet safety presentation helps children stay safe online

The Cybersmart Outreach—Internet Safety Awareness presentation for parents will be held on:
Thursday, 14 August 2014 @ 5.30pm @ Nambucca Heads High School.

The Cybersmart Outreach—Internet Safety Awareness presentation is thorough and non-technical. It covers a range of issues including:

- the ways children use the internet and emerging technologies
- potential risks for children online, such as cyberbullying, identity theft, inappropriate contact and exposure to inappropriate content
- tips to help children stay safe online.

Information sheet was sent home yesterday regarding Cybersmart Outreach.
Gaagal Wanggaan National Park Tour

Years 5 & 6 will have the opportunity to undertake this tour and be part of a promotional opportunity for the Park highlighting our students in their marketing materials. A photographer and film crew will be on hand. A separate permission note will go home after the excursion seeking approval to be photographed and filmed. Children without this permission will not attend the tour. We’ll leave school at 9.00am and return by 1.00pm. We will need assistance with transport.

Yarahapinni Festival

Stuarts Point PS is organising this day and a note will follow once all arrangements have been made. We will need to hire a bus and there will be a fee for students to travel on the bus.

Assembly Award Winners

Principal’s Award: Ruby Peachman for outstanding teamwork.
Bronze Awards: Dante, Kalahni Gray, Ruby Peachman, Toby Hill, Wulaaran Walker, Lilly Pacey and India Stephens.
Sport Award: Ashley Williams.
In Maths today students participated in a ‘kick start’ activity with mental questions using the ipads. They had to go on a treasure hunt around the school to locate QR codes that had been hidden. They then had to scan the codes using the ipad and a QR code reader and answer the maths question. The students have never moved so fast to complete their maths! What a fun activity!

Unleash the Power of Reading at our Book Fair and Grandparents Day!

Dear Parents and Guardians,

Our school Book Fair is taking place on Friday 22nd August. We need volunteers to assist with many aspects of the fair so any help will be greatly appreciated, even if you can only spare an hour. We will mainly need assistance with:

- helping teachers to set up the book stalls on Thursday 21/8 (12.00-1.30pm)
- reading to small groups of children on Friday 22/8 (9.30-11.00am)
- serving morning tea to Grandparents on Friday 22/8 (11.00-11.30am)

Please leave a message at the office if you are able to assist.

We appreciate your support in whatever form it takes!

With thanks,

SHPS Staff and Students

Classroom Personification Poem

The classroom wakes up in the morning
The classroom yawns and everyone enters
A strange machine turns on and warms the classroom like the stomach of a dragon
At 11am the kids go out to lunch so the classroom can have a rest
The classroom gets hungry so it lets the children re-enter so the classroom can feast on the children
The classroom regurgitates the children to have another rest
During recess the classroom overlooks the children as they play on the oval
The classroom yawns again and as the students enter they realise the classroom is breathing cold air to cool them down
After a while the classroom stops working and the children exit through the mouth so the classroom can rest after a long energy filled learning day!
By Wulaaran and Toby

P & C News

Lost Property

We have a huge box of lost property in the office. All clothing is being sold off at $2 per item. Please have correct money.
