Hello, Giinagay, Hai,

Welcome Back! Looking forward to a great term with positive outcomes for all.

**Anzac Day 2015**

The dawn service will be run by our school leaders and will be held tomorrow, Saturday the 25th of April at 6am overlooking little beach. The school as a choir will be singing ‘Lest We Forget’. We would encourage as many of our school students to be present, dressed in school uniform to come out the front during the ceremony and sing. A group of student leaders will then get on the bus and travel out to Bowraville for the Valley ANZAC service at 10am. School Captain Luke Leonard will represent our school community by laying a wreath. Thanks to Angie Evans for her support and input into our school leaders. As they prepare to honour our past and present serviceman.

Student Leadership - Impact Leadership Training

Year 6 school leaders will join for the chance to attend Leadership Training together as a Nambucca Valley Small Schools group. As part of our school commitment to developing student leadership we have organised for approximately 16 students to attend the Impact Leadership Training in Coffs Harbour on Thursday 7th and Friday 8th May 2015.

The Grip Student Leadership Conference is unique in that it concentrates specifically on training student leaders for their role as SCHOOL LEADERS. The topics and content of this conference all focus on what the students can do RIGHT NOW. The goal of the conference is that student leaders will gain a clear vision, a solid understanding and dozens of ideas for their time as a leader in their school.

Here’s an update on P&C activities for 2015

**P&C Activities Term 2**

**Unkya Markets**
Sunday the 26th April 8am - 1pm. We are running the egg and bacon roll stall which is a big money spinner for us. We try to use LOCAL, ORGANIC, SUSTAINABLE produce and make the best quality rolls possible. Let me know if you can help out on the day.

**Local Food Feast, FRI 19TH June, Evening**
The Local Food Feast give us the opportunity to show off what excellent cooks we are, using the produce from our gardens or those nearby....make a dish and bring it in to share.

**KIDS VIDS... FRI 19th June**
We are asking parents to help their children to make a very short film as entertainment at the Local Food Feast, these will make sure everyone is involved and I’m sure they will be hilarious. Olivia Parker has figured out the best way we can do this..... What kids/parents will need to do is:
1. Create a Vimeo account https://vimeo.com/home/myvideos - and if needed download the app as well on their ipad/phone
2. Make their video
3. Upload to vimeo
4. Share to: livparker@gmail.com

Good luck, if you don’t have the technology team up with someone who does or contact me. Please contact me if you have any questions or would like to be more involved in your P&C.
Sincerely, Gretchen Highfield 0429949754.
