Dear Parents

Selamat datang—Welcome. It was an honour to have VIP’s at our school for our special day, Bapak Akbar Kakarti and Bapak Lachlan Kurtz representatives of the Indonesian Consulate, Glenn Pleasance Director Education Mid North Coast, Erica Lynes Principal Macksville HS, Rhonda Hoban Mayor of Nambucca Shire Council and Ritchie Donovan Indigenous Elder, Sports and Wellbeing Facilitator and all the members of our school community.

The ongoing goal of schools, educators, grandparents, parents and carers is to prepare our students for their life beyond school. The great asset of the Scotts Head PS Indonesian Bilingual Program directly supports key national and local education policy directions, as we prepare students to be confident while building Asian capabilities with our close northern neighbours.

The Australian Curriculum’s Asia and Australia’s engagement with Asia Priority, provides an important context for learning in all areas of the curriculum, reflecting Australia’s extensive engagement with Asia in social, cultural, political and economic spheres and the wider world. This Intercultural understanding, assists our young people to become responsible local and global citizens, equipping them through their education for living and working in an interconnected world; developing language skills and enhancing our students’ knowledge, understanding and acceptance of Asian societies, cultures and environments.

We have much in common with our Indonesian neighbours. Trading relationships that have existed for over 400 years, similarities of friendliness traits and ever increasing genuine heartfelt relationships between people from the two countries. There are bridges to connect, cultural understanding and knowledge by events such as today.

Thanks to our previous principal Mrs. Angela Evans, who introduced this unique program to our school. Thanks to the families who continue to support this program as we support students to engage with our nearest neighbors. Thanks to our distinguished guests who have made this event so special and of course thanks to the students for being so enthusiastic, curious and willing to learn. Terima kasih!

**Book Fair, Grandparents Day and Indonesian Independence Day**

Thanks to all the grandparents and families who came along to our Book Fair, Grandparents Day and Indonesian Independence Day. It was lots of fun we all had a great time. We saw the Indonesian Consulate they were really nice. We had to get dressed up as our favourite book character, I dressed up as Cinderella, Wulaaran dressed up as Superwoman and Mirranya dressed up as Silvermist the fairy from Tinkerbell. We had to go into four peer support groups I was in the fourth group. We were third group to go book fair in the LLC. Grace was in the second group that group was with my group in the Bu Bibi’s lesson in the year one room. Then we went to the Kindy class with Bu Bridget to do a lesson. Then we went to book fair, I got a book, pencil and rubber they were all in a pack and a poster. On the poster was all puppies sleeping it is, so cute and they were sleeping on a box. The Indonesian consulate came from Sydney it was an awesome day today. Jalaara Walker

I dressed up as a Bake a Wish and I dressed up as Lily from the book and we had 2 people come from the Indonesian Consulate, and after lunch we had free time. Everyone nearly dressed up and thank you for coming to Scotts Head Public School. The Indonesian consulate came to our School and we had assembly, all the year 3 and 6’s talked. I hope that you guys had enjoyed our School. I hope you come again. There was group 1, 2, 3, 4 and I was in Group 4. We had maths group with Bu Bibi, and we had colour activities with Bu Bridge and we had a colouring competition with Bu Emma. The Indonesian consulate people were very very, very, very, nice. At the book fair I loved when we did a song it was funny! When I saw my poppy it was fun when I played my gumboots fell of my feet and I bought a little book and I taught Noah. W to say ini persegi and I saw my nanny and poppy and I showed nanny how I can skip and hula hoop and how I can climb the monkey bars. I even entertained my brother Kobi and he showed nanny how he played soccer. I loved the whole entire day, when I got home I looked at all of my books and said what one should I read first? **PYJAMA DAY!**

The SRC had a successful fundraiser last Friday for local ex-student Peter Cooper. They raised $243.35 to go towards a new diabetes insulin pump. It was great to see Peter go to all classes and thank everyone personally as he is so appreciative for the effort being made by the school.

Everyone had a wonderful day and it was funny seeing everyone in their pyjamas!

Thank you to everyone who donated cakes, fruit and slices, they were all really yummy.

**Robotics**

This week in STEM Robotics

Our students in the Robotics groups were delighted to receive their expansion packs this week and were eager to try and build a new robotic design such as the REPTAR (pictured on the screen). Zach and Xavier also helped build one of our new CORE set robots and try basic programming concepts. Well done everyone.
Pokémon Cards

Over the last couple of weeks there have been a number of incidences involving Pokémon cards that have caused students to become upset. As a result of this Pokémon cards are no longer welcome at school, and should remain at home. We thank you for your assistance in this matter.

Thanks to Pam Perry for the Batik Cushions

Thanks to Pam Perry who made all the cushions with the Batik material squares, she spent hours of her own time making them just perfect for the students. We appreciate your kindness and they all look fantastic!

Senior Excursion to Sydney—24-28th August

We wish the Years 4/5/6 students, Mr Johnson and Mel Daly safe travels as they venture off next week on their Sydney excursion. They will be spending the week with the students of Medlow and Eungai and their teachers. We look forward to their travel tales.

Earn and Learn Stickers

Keep those stickers coming in! There is a box in our school office and also one at Macksville Woolworths.

We are excited about all the wonderful resources we will be able to purchase.

Carrots

There has been a significant number of students coming to the office asking for carrots for either munch and crunch or at recess because they don’t have any food left. It is becoming a novelty for some students rather than a necessity. Could you please have a conversation with your child and provide more food if required.

New School Sign

Thank you to John Elliott from Prickle Patch Signs for our wonderful new sign!

Missing Jumpers

Can you please check the name on your child’s school jumper as there are a few student jumpers that are missing which clearly have their names written on them. Please return to the school office.
